

## EUGLOH-UPSaclay Research Cooperation Program

### Call for Applications

The **EUGLOH European Alliance** is a strategic long-term partnership between the Paris-Saclay University, Lund University, Ludwig-Maximilians-Universität München, University of Porto, University of Szeged, Alcala University, the Arctic University of Norway, Novi-Sad University and the University of Hamburg. Within the EUGLOH alliance, a balanced interfaculty consortium of researchers and students develops interdisciplinary and transdisciplinary activities and programmes. **Initiatives from all thematic areas and all communities from the involved universities are welcome and encouraged.**

The **EUGLOH-UPSaclay Research Cooperation Programme** is established to extend and deepen the multidisciplinary collaboration between the Alliance partner universities. It is intended to support innovative research projects across all disciplines and enhance cooperation between partners' research teams.

The EUGLOH-UPSaclay Research Cooperation Programme **supports cooperation projects with a strong potential for structural and long-term impact**. Therefore, the submitted projects must be written from the partnership angle, highlighting the impact of the planned actions on the development of the cooperation potentially leading to a Horizon Europe proposal.

### Yearly Budget of 15 000€ maximum per project

- Each project can combine different types of activities.
- The yearly budget amount can be renewed upon evaluation of the results.
- This program is open on an ongoing basis, with 2 selection committees per year until 2026.

### Typology of eligible costs

- Travel and costs associated with the organization of research activities.
- Small research equipment and consumable items.
- Workshops and seminars can only be funded if they are part of the results dissemination. They are not eligible as such, if they are the main activity.

In addition of the above costs included in the project, specific financial supports will be granted for:

- UPSaclay **PhDs outgoing short term mobilities** (1-3 months) allowance of 650€ per month\*<sup>1</sup> in addition to the Erasmus mobility grant from 2 months on.
- **Incoming Internship** Gratification (only students from Eugloh partner universities are eligible).

<sup>1</sup> If environmentally-friendly transport is used for the mobility, a bonus of 100€ will be added.

### Application procedure

- Submission platform [here](#)
- Required documents to be joined at the submission platform:
  - Application form with detailed description of the project and budget (to be downloaded on the website)
  - CV of the applicant and all the participants (from UPSaclay and partners)
- The application must be **submitted by one PI from UPSaclay** (the scope of this program includes all 14 members of UPSaclay ECO, UMA and ONR included).
- Applications are open as per remaining budget.

### Selection procedure

- A selection committee will meet once a month and will evaluate the applications along the way.
- Applications Eligibility:
  - Pedro Santiago, Deputy Director of International and European Affairs
  - Christine Ozouf, Institutional Manager Eugloh
- Selection committee members:
  - Sandrine Lacombe, Vice-President for International Affairs, EUGLOH coordinator
  - Eric Cassan, Deputy VP Europe, H2020-EUGLOHRIA coordinator
  - Michel Guidal, Deputy VP Science & Engineering
  - Anne-Hélène Monsoro Burq, Deputy VP Life Science
  - Delphine Placidi Frot, Deputy VP Human & Social Science
- Selection criteria:
  - Quality of cooperation arrangements
  - Expected results and objectives of the project
  - Long term enhancement of the alliance research network created thru the project
  - Number of partners involved (the more the better!)
  - Request for additional funding programs
- A notification letter will be sent to the PI after the decision taken by the selection committee.

### Reporting

A scientific and financial report must be submitted at month 12 upon receipt of the grants. A template of reporting will be communicated with the acceptance letter.
